

DESIGN OUR CHRISTMAS CARD

That's right, we're already thinking about Christmas! Every year, we sell a special pack of SHASBAH Christmas cards. It's a great little fundraiser and helps spread awareness of our charity.

This year, we would love your help with the design process. Create a colourful Christmas scene in the blank box below, using whichever materials you

like. You could paint, draw or even collage. Then, send us your finished design! If we choose your entry to be on our Christmas cards, we'll give you a £15 Amazon voucher.

What gets you into the Christmas spirit? What do you love the most about Christmas? Use this as your inspiration. We can't wait to see what you come up with.

We'd love to receive designs from members of all ages. The deadline for entries is 30th October.

How to send us your design:

- by post to BL10, 57 Burton Street, Sheffield S6 2HH.
- email a full colour scan to info@shasbah.co.uk

Please include your name on the back or in the email.
